Oggetto: FEBS Congress 2019 abstract submission reminder to constituent societies

Data: 4 marzo 2019 17:31:23 CET

Dear FEBS Constituent Society members,

On behalf of the FEBS Congress Counsellor Prof. Miguel A. De la Rosa, I would like to remind you briefly of the fast-approaching deadline for abstract submission for the [44th FEBS Congress](#) in Krakow this summer. If you have not done so recently, we would appreciate you reminding your members that abstracts need to be submitted by the end of March 7th 2019 for consideration for oral presentations, [FEBS Congress bursaries](#) for PhD students and postdocs (open only to your Society members) and for inclusion in the Congress supplement of FEBS Open Bio.

While writing, I also alert you to the recent FEBS e-newsletter, which covers a range of FEBS activities : <http://bit.ly/2XEvrCT>

Kind regards,

Tom
